Cancellation/Missed Appointment Policy

A scheduled appointment to which you do not show up to without prior notice is considered a missed appointment.

If you are running late, please contact us to let us know. If you are more than 10 minutes late, it is considered a missed appointment and you will need to reschedule.

A cancelled appointment with less than 24 hour-notice is considered a late cancellation. Both missed appointments and late cancellations are bound to happen to all of us at some point due to unforeseen circumstances. As a courtesy, you will not be charged for the first occurrence. Any future occurrence is subject to a \$50 charge per appointment, and you will be asked to keep a credit card on file for future policy violations.

We reserve the right to dismiss you from care should missed appointments or late cancellations happen multiple times.

I understand and agree to the cancellation/missed appointment policy described above.
